

SAFETY ASSURED.

Eicher Starline School Buses

18 to 51 Seater Buses

**EUTECH 6**

EUTECH 6

Eicher is creating a new benchmark in the Indian commercial vehicle industry, through a revolutionary BSVI solution that combines global technology with innovative support services. This solution not only makes your vehicle BSVI compliant but also ensures higher productivity of the bus and profitability of your business.

Euro VI Expertise for 6 years

VECV has been manufacturing and supplying base engines to the Volvo Group since 2013. Over 1,00,000 Euro VI base engines supplied, operating in 41 countries. First to roll out BS VI CV range in India, incorporating expertise of Euro VI technology.

Efficient EATS and engine technology

Best fluid economy: Lower fuel consumption + DEF consumption combined. Reliable EATS + engine technology tested for over 56,00,000 km. Duty cycle based SCR for high reliability & low maintenance.

Enhanced UPTIME

Eicher Uptime Centre for 24x7 support by specialists. GPS enabled service vans just a phone call away. Remote diagnostics for quick repair of BS VI vehicles.

Next-Gen Engines

The Starline range is powered by Eicher's next-generation E366 and E474 engines, which offer the dual benefits of higher power and high fuel efficiency. The flat torque curve ensures smoother drives with less gear shifts. Leveraging Eicher's Euro VI experience, these new engines are designed to be lightweight, silent, powerful and efficient.

FUEL EFFICIENT E474 ENGINE: 4 CYLINDER, 4 VALVE, 3 LITRES CRS ENGINE

The All New **STARLINE** is designed to deliver best-in-class operating economics with higher safety and comfort for the young leaders. Superior fuel efficiency coupled with lower maintenance costs leads to high profitability. BSVI Starline range is driven by state-of-the-art E366 and E474 engines which provide powerful performance in all applications. The modern driveline is complemented by contemporary design with uni-tone front Pegasus looks and refreshed interiors.

Comfort & Convenience.

Starline school buses offer wide and comfortable seats in different configuration with increased suspension span for superior ride-comfort. Bottle hangers and hatracks provide convenient storage for all school necessities. The complete school range is available with AC option making the Starline School range the best transport solution for students.

Spacious Seating

New Instrument Cluster

New-Gen Features.

Eicher Live lets you track your vehicle and glance at vital performance parameters at the touch of a button. Fuel coaching and Mbooster+ enable the driver to operate the bus in the most fuel efficient manner. The Intelligent Driver Information System keeps the driver informed of all the key parameters through an easy-to-read display and tell-tales.

Superior Powertrain

Reliable & Strong.

Eicher's all new E366 and E474 engines deliver high power and torque while remaining true to the promise of best-in-class fuel efficiency. The Starline range comes with the highly reliable Domex® Chassis in select models along with low maintenance 5 or 6-Speed transmissions.

Next-Gen Engine

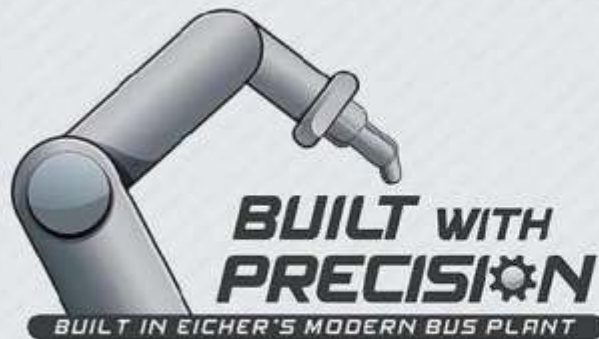

Domex® Chassis

HDPE DEF Tank

We manufacture buses with high level of precision by using advanced technology like panel fitments, inverter based welding, shower testing, robotic painting and pneumatic grippers in our modern bus plant to deliver superior build quality.

Lifetime Support Solutions.

With our Lifetime Support Solutions, we ensure a seamless and hassle-free experience from the time you consider buying an Eicher vehicle to the time you think of selling it. Our continuously improving and holistic services will ensure higher uptime and productivity for your BSVI vehicles.

*Pre-Pilot, Eicher Sure and Eicher Container set-up is not available for Eicher Bus range

Eicher has taken a step towards achieving Superior Uptime with a responsive attitude, that will set us apart and create a differentiated experience for our customers. With our new Uptime Center and Uptime Certified Workshops, we are now geared up with a proactive support system for diagnostic assistance with advanced diagnostic tools.

At Uptime Certified Workshops only
